Subject: suggested edits in Geoscience for a second (or first) look plus current versions
Attachments: Fault Motion_plus.docx; Induced seismicity Report 1-16-14 Final wo figs_edited for Peer Review.docx; Comments_for_Edits.docx; T4.10_13 App I to M consensus-v2.docx

If our geoscience folks will look at the first Fault Motion piece and get back to me before our next meeting, I will clean up the working document for the group discussion accordingly.

I have added the requested Biblio section.

Anything in yellow in the comments for Edits document is new: for discussion at the next meeting.
